Re: Security Is Strength PAC ID No. C00573733 / Amended Year-End Report (07/01/2015 - 12/31/2015)

Dear Ms. Seufert:

This correspondence responds to your letter dated June 27, 2016, requesting additional information from Security Is Strength PAC (the 'Committee'). The Committee has made several unsuccessful attempts to reach you to seek clarification of the FEC's most recent request for additional information ('RFAI').

As the Committee understands it, this RFAI pertains to the 48-hour reporting requirement in 11 CFR 104.4(b). If that is indeed the reason for this RFAI, the Committee's explanation and position related to the 48-hour reporting requirement has been explained in Form 99s filed on October 1, 2015 (FEC-1026386), October 5, 2015 (FEC-1026798), and June 2, 2016 (FEC-1075836). Each of these Form 99s is incorporated by reference herein.

However, if the reason for this RFAI is not the same as in prior RFAs and the Committee has yet to address the issue in any of its prior responses, we kindly request that you let us know and provide us with an opportunity to supplement this correspondence.

Thank you.

Sincerely,

William L. Bethea, Jr.
Treasurer
